President's Corner:

Our new location for the dinner meetings at the Sabbar Shrine Center seems to be working out just fine and is providing everyone an enjoyable experience.

Thanks to Hosts Laraine & Larry Coplin and Lori & Steve Miller for a fun filled 4 days at the Distant Drums RV Resort in Camp Verde, AZ. We had 22 RV's participating. The food and activities were great and the rally was a great success. We all got to meet many of our new members who were attending their first rally.

We just got back from the November Gold Canyon, Arizona Rock & Roll Rally. The hosts were the Roubal's and Dye's. We enjoyed two different dinner shows and the Challenger

Space Center. Thanks for a great time!

The Santa Cruz Valley Arts & History Rally on February 11-14, 2016 is already sold out. As you may have noticed, we have many more RVers participating in our rallies than in past years, so I encourage you to sign up early so you don't miss out. The March Wickenburg and April Mystery Rally as well as the May/June Waltzing thru Tennessee with a 2-step to Atlanta rally are still open so get your reservations in now!

Remember that the newsletter outlines the upcoming rallies in great detail, and I encourage you to take part in them. A lot of hard work goes into planning them, and we always look for a good turnout. The website is also a great source of information. The website has been updated to include pictures of the last 4 rallies, a links page of information useful to RVers as well as a complete membership listing at www.tucsondrifters.org. I welcome your comments and suggestions on how to make the club even better.

Thanks to those of you that entered the photo contest. There were a variety of subjects but giraffe's were the most popular.

The December Dinner Meeting features a complementary dinner paid for by the club. Hopefully those of you that attend will take the time to meet members new to you and share memories of past events.

Membership renewals are coming due, so get out that checkbook and renew for another year...we have a lot of activities for you to participate in.

Thanks to the nominating committee for pulling together the officer and director slate. Thanks to everyone who volunteered. I appreciate it.

Many of our new members participated in recent rallies. Let's make them feel welcome. I encourage all of you to also be on the lookout for new potential members. Refer them to the Drifters website. It has lots of information about the club and access to the newsletters. www.tucsondrifters.org

For all those members who have been waiting to buy a Tucson Drifters shirt in a size that fits, you'll be glad to hear that we now have an arrangement with Aztec Embroidery and Screen-printing here in Tucson that allows you to order a shirt in men's and women's sizes and styles directly from the vendor. See the newsletter for more details.

Don't let that rig stay in the driveway...Let's go places.

November 15-19, 2015 - Mesa, Arizona (114 miles) - Rock & Roll Rally - Mesa Spirit RV Resort - Theme of this rally is centered around reliving the 50's and 60's. There are currently 17coaches signed up for this rally. Monday night dinner will be provided at the Sabbar Shrine Center and there will be a gift exchange where we are requesting all items to be "As Seen on TV" items. Tuesday morning the Sabbar Center will provide breakfast. Several possibilities for a Tuesday tour are U of A Mars or Pluto Lab or the Mini Time Machine Museum. Tuesday night will be the Drifter dinner paid for by the club. Breakfast at Laverna's Coffee Shop is planned for Wednesday morning (breakfast paid on your own). The cost of this rally is \$58.00 per couple. Roubal/Rolland/Coplin

May 26 - June 17, 2016 - Waltzing thru Tennessee with a two-step to Atlanta - This is a 23 day rally which includes all lodging and attraction entry fees for the incredibly low price of \$1695.00. This is a very busy rally with many things to see and do. Planning is ongoing and registration for this rally needs to be made as soon as possible as final count for RV sites and event tickets are due soon. Rally attendees will be responsible for making their own reservations for the Corps of Engineers Park which need to be made the first week of December. Roubal/Miller/Coplin

NEW BUSINESS

Ruth asked for suggestions for rally locations for the 2016/2017 season. A Santa Fe, NM rally is being planned for May, 2017. Other suggested locations are: Roper Lake, Rocky Point, Cave Creek, Lake Havasu, Flagstaff, Prescott, Lake Powell, Desert Hot Springs, Sierra Vista, and Catalina State Park. A Roaring Twenties Rally was also mentioned.

In an effort to familiarize our new members with rally planning, it was suggested that each pair of rally hosts "adopt" a new couple to help them plan and host their rally.

The next Activity Meeting will be on December 1st prior to the dinner meeting.

The meeting was adjourned at 5:00 p.m.

WAY OUT WEST!!!!

WICKENBURG, AZ

MAR 31-APR 3, 2016

The Tucson Drifters are returning to the wonderful little town of Wickenburg, Arizona where we will stay at the Desert Cypress RV Resort located at 610 Jack Burden Rd.

Resting on the northern edge of the Sonoran Desert, just below Arizona's mountainous country, the Wickenburg area abounds in natural beauty. While the area's geological treasures attracted the miners from around the world, the Hassayampa River flood plain provided fertile soil for farming and ranching. For centuries, the western Yavapai made the banks of this oasis their home, irrigating their crops of corn, beans, squash, and tobacco with river water. They named this place Haseyamo, "following the water as far as it goes," from which the word Hassayampa derived. The [Hassayampa River Preserve](#) lets you escape to a literal oasis in the desert with lush, streamside habitat that includes many endangered birds and animals

Mining

In 1863, German Henry Wickenburg came to the area in search of gold. He was rewarded with the discovery of Vulture Mine, where over \$30 million in gold was found. There are still relics around the area that stand as a tribute to these early adventurers as well as a walking tour around Vulture Mine.

Ranchers & Farmers

Like the Indians before them, Ranchers and farmers discovered the fertile flood plain of the Hassayampa River and settled in the area. Together with Henry Wickenburg and the miners, they helped found the young community of Wickenburg in 1863. The Town of Wickenburg was incorporated in 1909. The cowboy culture continues to this day with Wickenburg being described as the "West's Most Western Town". Sorry Scottsdale!! Wickenburg also claims title to the "Team Roping Capital of the World". Who knew?

Rough Start

It was a rough start for the town with Indian wars, mine closures, desperados, drought and a disastrous flood in 1890 when the Walnut Creek Dam burst. Despite these trials and tribulations the town continued to grow. In 1895 the railroad arrived in town. The historic depot still stands today.

COME RALLY WITH US

Only 15 slots are available for this rally at the Desert Cypress RV Park. They have just opened a new rally site with large pull throughs, concrete slabs and up-to-date connections.

We will be touring some of the local attractions and also allowing time for your a la carte activities. The town will be hosting their first Literary Festival April 1st -3rd which will include a variety of activities for young and old including entertainment, food trucks and more. You will be able to enjoy the scheduled events while exploring "Old Town Wickenburg". Please complete the rally reservation form attached to the newsletter.

We are planning some great tours including, the Desert Caballeros WESTERN MUSEUM (one of the best in the West), Hassayampa River Preserve (The Nature Conservancy), Literary Festival (books, books and more books), Vulture Mine, Ghost Town, and a surprise visitor.

Only \$244 for 2 people and you will enjoy 3 nights of camping, 3 breakfasts, 2 Evening Dinners, 2 Tours (Western museum, Nature Conservancy) and some surprises. Get your \$50 deposit in by February 2, 2016 to reserve your spot. See our registration form later in this newsletter.

RAIL-SIDE RV RANCH & CABIN RESORT

Williams, Arizona
April 28 - 1 May 2016

What do you know about Northern Arizona other than they get the winter snows and we don't???? Do you know the town of Williams is named for Bob Williams a skinny, redheaded mountain man rumored to have had nine lives and who set the standard for alcohol consumption all across the southwest; why the town chose to hold up construction of I-40; that the original Rte-66 is still the 'main street' of Williams; that the 'Red Garter Bordello' is still in business, although of another kind?
