NO DINNER MEETING FOR JANUARY

TUCSON DRIFTERS 2016 MEMBERSHIP RENEWAL

With the closing of 2015 comes the renewal of membership for 2016. According to our Bylaws, annual dues become payable beginning January 1. In addition to the dues payment, **please submit the membership renewal form** at the end of the newsletter. While the form may seem redundant to our membership, it is very important to support bookkeeping and to verify each member's information in the membership listing that is published on our web site.

Annual dues are required to be paid no later than March 31, 2016. Any member who does not submit their dues payment by March 31 will be dropped from the Tucson Drifters membership. Also, remember that all members must keep their FMCA membership current.

This renewal does not apply to those who joined the Chapter after June 1, 2015; your dues are paid through 2016.

President's Corner:

Judy and I hope you all have a nice Christmas Holiday. Don't let the cold weather freeze your RV water lines!

The December Dinner Meeting with a complementary dinner paid for by the club had the largest attendance in years.. Hopefully those of you that attended had the opportunity to meet members new to you and share memories of past events.

We had 11 rigs participate in the Dec. Dinner Meeting mini-rally the day before. The miniatures museum was a delight. The "as seen on TV" gift exchange was a hoot!

The Santa Cruz Valley Arts & History Rally on February 11-14, 2016 is already sold out. As you may have noticed, we have many more RVers participating in our rallies than in past years, so I encourage you to sign up early so you don't miss out. The March Wickenburg and April Mystery Rally as well as the May/June Waltzing thru Tennessee with a 2-step to Atlanta rally are still open so get your reservations in now!

Remember that the newsletter outlines the upcoming rallies in great detail, and I encourage you to consider taking part in them. A lot of hard work goes into planning them, and we always look for a good turnout. The website is also a great source of information. The website has been updated to include pictures of the last 2 rallies, a links page of information useful to RVers as well as a complete membership listing at www.tucsondrifters.org

Membership renewals are coming due, so get out that checkbook and renew for another year...we have a lot of activities for you to participate in.

I welcome your comments and suggestions.

The new officers and directors begin their role January 1. Thanks to everyone who volunteered. I appreciate it.

Many of our new members participated in recent rallies. Let's make them feel welcome. I encourage all of you to also be on the lookout for new potential members. Refer them to the Drifters website. It has lots of information about the club and access to the newsletters. www.tucsondrifters.org

For all those members who have been waiting to buy a Tucson Drifters shirt in a size that fits, you'll be glad to hear that we now have an arrangement with Aztec Embroidery and Screen-printing here in Tucson that allows you to order a shirt in men's and women's sizes and styles directly from the vendor. See the newsletter for more details.

Don't let that rig stay in the driveway...Let's go places.

SANTA CRUZ VALLEY **ARTS & HISTORY RALLY**

February 11-14,
2016

SOLD OUT

WAY OUT WEST!!!!

WICKENBURG, AZ

MAR 31-APR 3, 2016

The Tucson Drifters are returning to the wonderful little town of Wickenburg, Arizona where we will stay at the Desert Cypress RV Resort located at 610 Jack Burden Rd.

Resting on the northern edge of the Sonoran Desert, just below Arizona's mountainous country, the Wickenburg area abounds in natural beauty. While the area's geological treasures attracted the miners from around the world, the Hassayampa River flood plain provided fertile soil for farming and ranching. For centuries, the western Yavapai made the banks of this oasis their home, irrigating their crops of corn, beans, squash, and tobacco with river water. They named this place Haseyamo, "following the water as far as it goes," from which the word Hassayampa derived. The [Hassayampa River Preserve](#) lets you escape to a literal oasis in the desert with lush, streamside habitat that includes many endangered birds and animals

Mining

In 1863, German Henry Wickenburg came to the area in search of gold. He was rewarded with the discovery of Vulture Mine, where over \$30 million in gold was found. There are still relics around the area that stand as a tribute to these early adventurers as well as a walking tour around Vulture Mine.

Ranchers & Farmers

Like the Indians before them, Ranchers and farmers discovered the fertile flood plain of the Hassayampa River and settled in the area. Together with Henry Wickenburg and the miners, they helped found the young community of Wickenburg in 1863. The Town of Wickenburg was incorporated in 1909. The cowboy culture continues to this day with Wickenburg being described as the "West's Most Western Town". Sorry Scottsdale!! Wickenburg also claims title to the "Team Roping Capital of the World". Who knew?

Rough Start

It was a rough start for the town with Indian wars, mine closures, desperados, drought and a disastrous flood in 1890 when the Walnut Creek Dam burst. Despite these trials and tribulations the town continued to grow. In 1895 the railroad arrived in town. The historic depot still stands today.

COME RALLY WITH US

Only 15 slots are available for this rally at the Desert Cypress RV Park. They have just opened a new rally site with large pull throughs, concrete slabs and up-to-date connections.

We will be touring some of the local attractions and also allowing time for your a la carte activities. The town will be hosting their first Literary Festival April 1st -3rd which will include a variety of activities for young and old including entertainment, food trucks and more. You will be able to enjoy the scheduled events while exploring "Old Town Wickenburg". Please complete the rally reservation form attached to the newsletter.

We are planning some great tours including, the Desert Caballeros WESTERN MUSEUM (one of the best in the

West), Hassayampa River Preserve (The Nature Conservancy), Literary Festival (books, books and more books), Vulture Mine, Ghost Town, and a surprise visitor.

Only \$244 for 2 people and you will enjoy 3 nights of camping, 3 breakfasts, 2 Evening Dinners, 2 Tours (Western museum, Nature Conservancy) and some surprises. Get your \$50 deposit in by February 2, 2016 to reserve your spot. See our registration form later in this newsletter.

RAIL-SIDE RV RANCH & CABIN RESORT

Williams, Arizona
April 28 - 1 May 2016

What do you know about Northern Arizona other than they get the winter snows and we don't???? Do you know the town of Williams is named for Bob Williams a skinny, redheaded mountain man rumored to have had nine lives and who set the standard for alcohol consumption all across the southwest; why the town chose to hold up construction of I-40; that the

original Rte-66 is still the 'main street' of Williams; that the 'Red Garter Bordello' is still in business, although of another kind? Do you know about Bearizona, a preserve for wild animals native to the North American continent (big time photo

op)? How about the solar system as viewed from the Lowell Observatory or the singing wait staff at Black Bart's?

There's much to see and do in the Williams/Flagstaff area so come join us for our last weekend rally on the 2015-2016 schedule. We can promise you a great time with good food and great company - after all, you'll be with the Tucson Drifters!!!
