President's Corner:

I hope everyone is having a wonderful fall that feels like summer still. I think all of us will be glad when the temperature gets to a normal fall like feeling.

For those of us who went to Globe for the Cobra Valley Rally what a great time was planned for us. Thank you to the Schaefer's and Castriotta's for a well-planned rally. There is another rally coming up this month in Patagonia, as well as the Rose Parade rally in December. I'm not sure if there are opening for those at this time, Please check with the rally hosts

if you are interested. Those will round out our year of 2017, but there are some more great rallies planned for 2018.

Our November meeting brings our first business meeting of the season. I hope you will all be in attendance. Again this year we have not filled the position for National Director. I would like for some of you to think about taking this position. It does not require a lot of work. You are encouraged to go to the summer FMCA Rally, so you can vote for our chapter on issues being voted on. We have not had anyone at the last few summer rallies because of the location. You would receive information from FMCA on the issues as well as get regular emailed information from the governing board. This year the summer rally will be held in Gillette, Wyoming.

On a lighter note for those of you who would like to have some logo wear like a shirt or ball cap etc. We have a local company to purchase through, Aztec Embroidery & Screen-Printing. You can go on their website and get the information.

I'd like to welcome all the new members we have joined the Drifters in the last few months.

Remember it's not where you go, but who you go with.

The permanent collection includes one of the largest and most well respected stained glass collections in North American with over 1000 pieces primarily from France and Germany dating from 1200 A.D. through the present. The stained glass collection includes portions of William Randolph Hearst's former collection and owns the work of Albrecht Durer and Viet Hirsvoege. The Museum also houses Western bronze sculptures, American historical artifacts, paintings, actual examples of every coin mentioned in the Bible, exact replicas of the British crown jewels, world cultural artifacts and one of the Easter Island statues, rescued from the bottom of a boat where it was used as ballast. It is named "Henry". All of these precious art pieces are put in storage or hidden behind temporary walls when a special display is on site. Perhaps the most famous object owned by Forest Lawn's permanent collection is William Bouguereau's 84X60 inch, oil on canvas painting, "Song of the Angels" created in 1881 and regarded as one of the most important examples of Bouguereau's work in the United States. Please take in the 26 minute film in regards to the largest painting in the world called "Crucifixion and resurrection". This cemetery is the only place in the world containing a complete collection of replica Michelangelo sculptures, which were made from

castings taken from the originals and using marble from the same quarries in Carrara, Italy as used by Michelangelo.

AAA Rally. (Apache Junction, Arizona in April)

April 12-15, 2018

Apache Junction, AZ

Hosts, Hansen, Spaeth, Wood

Please join us for a Rally back in time to the Old West.

THURSDAY: April 12th at the Lost Dutchman State Park in Apache Junction. We will convene for an early happy hour and check-in at the hosts campsites 2:30 pm. We will then mosey on down to the Goldfield Ghost Town 3-3:00 pm. You will have until 5:00 to “check it out” and allow time to walk through the Museum. At the close of the Ghost Town business hours, we will be entertained with our own cowboy show and shoot out. For those who survive the gunfight, we will stay and have dinner at the Mammoth Steak house.

Time on your own after dinner, although the hosts plan on campfires every evening that you are welcome to come share tall stories or lore of yesteryear.

FRIDAY: 10 am-2:00 pm we will do a fun Jeep ride for all you cowpoke. Plenty of 4 wheel drives will be available to take anybody who prefers to ride along.

6:00 pm we will meet at the Arizona Opry in Apache Junction, (15min drive) for a very entertaining evening of fun and music. . It all starts with dinner and then a spectacular show that you don't want to miss.

SATURDAY: Morning free to relax, hike or join us in a corn hole tournament with prizes. We will then meet at Tortilla Flats on the old Apache Trail at high noon. Once you have chowed down on your lunch, back down the Ol'trail to embark on the Steamship Dolly for a tour of Canyon Lake.

You'll have a little time to rest and relax after your boat tour until the evening kicks off at 6:30. For you adventurous types, I'm sure you might just find the hosts hanging out sip'in a cold one. Again you are always welcome at the Ol'Campsite .

Saturday evening should be a real treat. We have the Ramada rented for an evening cookout and campfire. The hosts will supply the steaks and chicken and we will do pot luck for the fixins. (you will be contacted in advanced by the hostess to arrange your dish). We will be entertained, and I mean entertained that evening by cowboy singer and balladeer Ted Newman. We encourage you to join us with your boots, jeans, and cowboy hats if you so desire.

SUNDAY: 8:30-10:00 We will offer donuts, juice, (bring your own coffee) to say goodbye, before we break camp and say good bye to the Old West, until next time.

PRE-RALLY GOLF : Thursday AM, Apache Junction. If you are interested you will need to reserve your own space for Wednesday. We can give you the space numbers we have reserved so you don't have to move. The plan will be to play Thursday morning. If you are interested let us know so we know how many and what price range you would be interested in so we can book the appropriate course.

GONE TO TEXAS (GTT) RALLIES

The Drifters May 2018 rallies will actually be two back to back rallies 'cause

Texas is just that **big**.

GONE TO TEXAS was the catch phrase of many migrants to Texas in the 1800s. In fact it became such a part of the southern lexicon that it was often abbreviated to GTT which was posted on signs or painted cabins &

gates. The 2018 Drifters May rally has adopted this phrase as our theme as we will be traveling across two thirds of the Lone Star State.

GTT – Big Bend. The Salfens and Basses are hosting the Big Bend portion which is runs from May 3 -10 and will invite you to experience the expansiveness of this part Texas and to be able to sing with authenticity “The stars at night Are big and bright....Deep in the heart of Texas” by the end.

GTT - Heart of Texas is hosted by the Kuznickis, Nester/Baumanns, and Castriottas. It will run from May 11 – 23. You will get to experience some frontier life, the best kept secret in Texas, and the ultimate Texas tourist destination.

GTT – Heart of Texas

FORT STOCKTON: After the Big Bend portion of the rally, we will rendezvous in Fort Stockton for a traditional Texas dinner, visit some local sights and then on to Stonewall, Texas.

TEXAS HILL COUNTRY: The Texas Hill Country has often been called one of the best kept secrets of Texas. We have group events planned for you to include venues in the German community of Fredericksburg, The Texas White House, a Living History farm and world famous Luckenbach. Who knew that there are over 40 vineyards in this area?

SAN ANTONIO: You will be provided a guided tour of San Antonio and then tickets to the Alamo trolley Hop on/off to further explore the sights which interest you most. We are planning quintessential San Antonio events including a river boat cruise, Tower of the Americas, and dinner at Mi Tierra restaurant in El Mercado. You also will experience a typical south Texas Saturday night with a BBQ dinner, a rodeo with working cowboys (no rhinestones here) and then some boot scooting on the dance floor under the live oaks trees.

Please plan on joining us for a real Texas immersion and think about continuing your jaunt after the rally up to New Braunfels, Greune, Austin, and other hill country destinations.

After all that experience you may apply to be a naturalized Texas citizen
