

- Is your RV sitting around more than it should be?
- Would you like to get out and use your RV more often?
- Are you new to RVing?
- Do you like to see different places?

By joining the Tucson Drifters, you have access to the knowledge and experience of your fellow members.

Planned monthly rallies from October through May. (Most rallies last three to five days, which include weekends, but some rallies could last several weeks.) You attend the rallies that fit your lifestyle and interests.

The Club holds monthly dinners with entertainment and brief updates on the rally activities.

But most of all, the friendships you make are for a life time.

Presidential Library Tour Texas, Arkansas, ...
Missouri, and Kansas
Organ Pipe National Monument /Rocky Point, Mex

The Tucson Drifters was chartered in May 1999. From the beginning the group has featured both monthly dinners and fun filled rallies.

Our activities take place from October through May. Dinner meetings are held the first Tuesday of these months. They include club and rally news, an outstanding dinner, and a good time with friends. Our monthly rallies can take place right here in Arizona or venture out of state. It is your choice which rallies you attend. You will enjoy them.

The fun, energetic, and dedicated group of people is what makes our rallies so wonderful. We invite you to attend up to two events (dinners and/or rallies) to see what our dinners, rallies, and members are like before joining. You can also check us out on our Web site (www.tucsondrifters.org).

We look forward to meeting you!

Oceanside dinner on the beach at Rocky Point

Havasu Balloon Festival

Rose Parade, CA

Arches National Park, Utah
